

SPORTING CLAYS CLASSIC

You are already aware of how much good the **Boy Scouts of America** is doing in your community and our country. We commend you for the continuing support of such a worthy organization. Today we impact the lives of over 7,000 youth and adults in the four counties served by our Council.

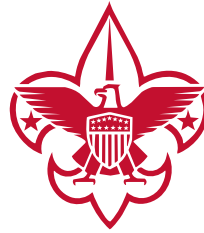

This year on Thursday, September 23, 2009 the Mobile Area Council of the **Boy Scouts of America** will be conducting the 9th Annual Sporting Clays Classic. Last year we raised over \$18,000, all of which was used to support the program in our area. The event will feature sponsored teams, each with four competitors shooting multiple targets in a variety of settings. There will be food, fun and lots of merchandise to give away. We hope to see you there.

We appreciate your consideration of this chance to support a great American tradition — Boy Scouting — while also promoting your business.

DETAILS OF SPONSORSHIP

Your sponsorship to benefit the Boy Scouts of America receives the following:

- Billing as an event sponsor in the program that will be distributed to all attendees.
- A team or teams of 4 shooters of your choosing that will participate in the 10-station Sporting Clays event.
- Luncheon & refreshments during the day.
- A chance for each of your team members to win one of the very nice prizes that have been donated for the event. Shooters must be present to win.
- A special gift package incorporating the event logo for every shooter. Safety gear will also be provided for those who do not have their own.
- Trophies and bragging rights for the top scoring teams.

BOY SCOUTS OF AMERICA
